Rosh Chodesh Women's Circle™, Inc

BONUS PROGRAM

Rosh Chodesh Women's Circle is happy to announce that it will provide a bonus Program for a Tishrei Event. The Event must take place in the week before Rosh Hashana. The theme will centre around the High Holidays and the Cycle of Life with the preparation of round Challahs being the Activity. It is a very exciting program and will be a beautiful spiritual preparation for all RCWC women. The choice of Storyteller should suit the theme.

This Program is very well prepared and tailored for each Affiliate. Our RCWC team will continue to provide continuous assistance leading up to the event.

Deadline to Register: June 7, by email to Affiliate's RCWC representative, stating the date of Event. Confirmation for the registration from the rep should take place within 24 hours -48 hours.

THE NEW YEAR – 5776

We are hopeful that we will have new Affiliates joining our ranks in 5776. All agreements between the Affiliate and the RCWC are currently verbal. We will give the Affiliates 3 months' notice when we begin our new contractual arrangements during the coming year.

In the meantime, we continue to provide the Affiliates with the Handbook, the Monthly Programs, the gift for the Storyteller and lots more, at no cost to the Affiliate, to support successful Events.

The first Program we are providing for the New Year is for the month of Cheshvan. Although it is very soon after the end of the Chagim it is a wonderful time to take all the inspiration gleaned from a Month of Inspiration and bring it joyfully and purposefully into action as we begin our New Year.

Deadline to Register for Cheshvan: July 1. Although registration is usually 3 months before the Event we do take Chagim into account.

Deadline to Register for Kislev: August 3. As always registration is via an email with the date of Event to the RCWC Affiliate representative. All confirmation should be received within a day or two.
